FOR IMMEDIATE RELEASE

POSTED SPEED LIMIT CHANGES ON STATE ROUTE 63 IN TULARE COUNTY

The Department of Transportation (Caltrans) announces a scheduled increase of the posted speed limits on State Route 63/Mooney Boulevard within the Visalia city limits and in the Tulare County area. These posted speed limits changes are a result of a traffic survey brought on by recent construction projects. The following posted speed limit changes will be effective beginning March 16 and 17, 2011 when posted signs are scheduled for installation:

- **On State Route 63/Mooney Boulevard within the Visalia city limits from Packwood Creek to Noble Avenue, the posted speed limit will increase from 35 mph to 40 mph to reflect the recent 6-lane configuration.**
- **On State Route 63/Court Street/Locust Street within the Visalia city limits, the current posted speed limit of 45 mph near Houston Avenue, will be extended to just north of Shannon Parkway.**
- **On State Route 63/Dinuba Boulevard within the Visalia city limits and into the Tulare County area, from Shannon Parkway to just north of Avenue 328, the posted speed limit will increase from 45 mph to 50 mph.**

Caltrans would like to remind you to drive with extra care and allow additional travel time while travelling on State Route 63. Please be alert for Road Maintenance Personnel and
“Slow for the Cone Zone.”
